

## **ACCA ANNUAL IFRS UPDATE SEMINAR**

With over 30 new or amended IFRS standards becoming effective in 2009/2010, are you up to date with these changes?

Join us for an interactive CPD Seminar looking at the latest developments in IFRS, including:

- IASB Update – what's driving the change, and where is it all heading?
- A new format for your financial statements: IAS 1 (amended)
- IASB improvements Project – 35 changes to 20 standards. We look at the practical impact of these
- An amended standard on Business Combinations – what's changed!
- New IFRIC Interpretations that you will need to consider
- IFRS for SME's – an overview of the standard and what it means for IFRS reporters
- ...and more!
